(The Northside Quarterback Club is entering its 32<sup>nd</sup> year, the longest running youth football program in the city of Oshkosh.)

Please consider supporting the Oshkosh Eagles Youth Football team. The Eagles football program is not funded by our school district but is supported by the private organization called the Northside Quarterback Club. Since 1987 the NQBC has funded our Eagles youth football program for 5<sup>th</sup>, 6<sup>th</sup>, 7<sup>th</sup>, and 8<sup>th</sup> graders. The annual cost to run the program is \$25,000 per year. The cost to fund the program comes through fundraisers run by the NQBC. NQBC supplies all of the equipment for our student athletes from a helmet and shoulder pads, to practice and game attire with pads.

Today our society has so many negative influences. This program gives kids a chance to belong to a family-oriented team. Academics and positive social choices are expected and enforced. Kids take great pride in the relationship with the NQBC. This program is for all who wish to participate. Never will a kid be turned away. We believe it is so very important for every player to have a successful learning experience in athletics.

Please consider making a contribution to this program. By becoming a sponsor or advertiser of our program, you and/or your business will receive recognition in a variety of ways all while supporting the youth in our Oshkosh North community. Your support in our program means a great deal – our boys thank you. Any financial assistance is appreciated but below is what you will get if you become a Gold, Silver or Bronze Sponsor.
